“ We are very sorry for your loss. Please know that our thoughts are with you. You have always been very thoughtful and generous when it has come to our children, and you are oh so important to Francine, which makes you oh so important to us as well. I cannot begin to imagine the sorrow that you are experiencing, but know that you are not completely alone. I hope that you can find some reprieve in your joyful memories, and in knowing that there are many praying for you. Kim and Thomas Bonts

“ Dear Connie, I will always remember the first time I met Jerry and we just hung out watching Hellboy. I remember thinking that Jerry was truly a "good-ole-boy" and, along with your sweet personality and warm heart, I felt right at home. The two of you made a perfect couple. You and Jerry are such dear people and I am so thankful that I got to visit with you both in September. My boys thought Jerry was "so cool" with his knowledge of cars and fishing. We are very sad for your loss and will miss Jerry very much. Our prayers will continue to be with you. Paula, Tyler and Nicholas Vickers

“ Jerry was a good friend and a very special person. We had some really good times together. My boys also have fond memories of him. They remember the weekend we spent at ya'lls house rebuilding his motorcycle engine. I'm so glad I was able to speak with him on the phone recently. I loved him as my friend and he'll be greatly missed. Connie, my heart goes out to you. If I can be of any assistance to you, let me know. 678-315-3921 Lovingly and with condolences, David Thiessen

“*Connie and Family, Don't think of him as gone away-his journey's just begun, life holds so many facets-this earth is only one. Just think of him as resting from the sorrows and the tears in a place of warmth and comfort where there are no days and years. Think how he must be wishing that we could know today how nothing but our sadness can really pass away. And think of him as living in the hearts of those he touched....for nothing loved is ever lost and he was loved so much. All my love, Linda*

“*Connie, I can't begin to tell the pain and loss I feel for you and Jerry's family. I never got to meet Jerry, but I knew he had to be one of a kind to have someone as special as you in his life. There hasn't been a day that goes by since I learned of his illness that you and he weren't in my prayers, and that will continue for you and your family. As soon as I read you e-mail I said a prayer and told my Scooter to look Jerry up and show him the ropes, so I know he will be well looked after until you are able to join him. May God bless you and give you the strength to get thru this time of loss.*

“*Dear Connie, Mrs. Barlow, Gail and Ronnie, Jerry has always been my best friend, I cannot begin to speak of the many adventures that he and I shared. As I sit here ant think of what he is doing now I can only think that he is fishing with his dad and telling each other stories of "remember when". I love and pray for you all.*
