“ I love the picture you chose to use because it so personifies Jerry, and that is how I will remember him. In spite of all the health problems he had, he seemed to take them in stride and kept on keeping on! He's not gone...he's just ahead of us. Love you...Ellie

“ As always, my niece KIM always says it best. Know that Bill and I have you all in our hearts and pray for you comfort and healing at this difficult time. Jerry was the best guy. I remember so well being a part of your family gatherings at Tom and Sharon's farm. Always lots of kids and fun and noise! Know now that he is whole and gone on to his well deserved reward. Love to you all!

“ *What wonderful memories! It has been a blessing to be part of our family, and even states apart, to have and give love across the miles. And Jerry was a huge part of that love, fun, and joy! From quiet fishing at the lake to big and loud family reunions, Jerry always had hugs, smiles, and laughter! Our hearts are broken for your loss, but know that we love you, pray for you and ask God to speak peace and joy to your hearts. With love and blessing, Kim (McMillan), Dave and Alana Miller*
