“ My heartfelt condolences to the Hiser family. Jerry will always be remembered as a formidable 3 sport athlete, captain, teammate and friend. Jerry helped lead our teams to many memorable moments of victory and championships in our youth that will always be cherished. Jerry's home was a welcoming beehive of activity and camaraderie for his friends. He had loving and doting parents, beautiful older sisters and a brother who kept us in line and watched our backs. Jerry is a winner and will always be remembered as an outstanding Valpo Viking athlete, teammate and friend. My deepest sympathies for your loss, Bill Conover

“ Jerry will be deeply missed. I worked with him several years ago at Clorox. He made me laugh many days and he was just a great human being. He and I kept in touch over the years as colleagues and he would sometimes send me CDs from time to time to sample with the latest alternative music - it was always a treat to see what he had selected for me. I am saddened by his passing but I am blessed to have known him. My thoughts and prayers are with family.

“ My condolences to the family. I had the pleasure of working with Jerry for the past 2 years and I will miss seeing him each morning. He was always the first to arrive and would sit in my office, while I got coffee and he would have his Pepsi. We talked work, politics, family and just life in general. A truly wonderful person.

“ I didn't know Jerry well but I know he loved the foster cats that he and Sandy fostered. It's very hard to find special people like Jerry that are willing to open their homes and take the time to work with these cats. Thank you Jerry for the love you gave them. You made a difference.

“ *The angels looked down from heaven one night They searched for miles afar, And deep within the distance They could see a shining star. They knew that very instant That the star was theirs to gain, So they took you up to heaven Forever to remain. Look down on us from heaven Keep us free from hurt and pain, You'll always be within the Clorox Family heart Until we meet again. Sending my deepest condolences to the Hiser Family*

“ *I am so sorry for your loss. Jerry was a true friend who never passed up a person in need, whether it was someone hurting or someone having to go without. Jerry could always be counted on, in any situation, and many people will miss his wry wit and engaging demeanor. We'll keep your family in our prayers as you say goodbye, far too soon in our hopes; but all within God's will and grace.*
