“ Jerry was a light to everyone that knew him - from the time he was born on July 4th - a firecracker if there ever was one - loved people - loved his mom, dad, brother, sister, and his son Benjamin and daughter Hannah and his inlaws - Everyone that looked after him for these past two years that were so hard on him - God bless you - you know who you are and how you helped him. We will miss you so much son, but know without a shadow of a doubt that you are now with Jesus and having a ball. Love you mother and pops!

“ Jerry was so very thoughtful. He'd call me just to say "hi" and ask how I was doing. He's surely missed!! Loved Jerry!

“ Sweet Jerry will be missed....always had a smile, and loved to tell people that we were "cousins"! We know that he is finally able to be with Jesus, and out of the pain from the last year. Our prayers are with all of the family.

“ Jerry was a special person, always wanting to help in any way possible at church and with church activities. He helped the hospitality committee in setting up tables and chairs in the fellowship hall and the church gym. I was chairman of the committee and knew we could always count on Jerry. Praying for all the family.

“ I remember Jerry visiting the Dozier Farm in Thomson as a young man and a grown man with his wife and how much he enjoyed all the activities there. Such fond memories.
