“ Jesse was not only the BEST boss, but a great friend. He always thought of others and gave of himself to help those around him. You couldn't help but with/at him when you were around him. He had a amazing heart and the ability to turn a bad day around with a stupid joke, silly nickname, or his crazy singing. He made every song sound like a country song. Jesse/family I will never forget you and your influence in my life. I am a better me because you took time to teach and mold me. I pray those streets of gold lead to a beautiful lake. Love always
