“ Dear Ms Marion, Our lives intersected with the care of you son years ago. Your family always held a special place in my heart. I am very saddened to hear of the passing of Mr Couch. Unaware of his most recent illness, your family has been on my heart for weeks now and continually in my prayers. God knew of your needs before you were aware of what to ask. He will be faithful to provide your family with the grace you need during this time. With Sincere Sympathy, Denise Mercer

“ Sending sympathy to Marion & family. I met Buddy in the 50's when we were stationed together at Molesworth Air Force Base in England. We had a wonderful friendship while we served together.We spent a lot of time sharing memories of our hometowns & families. I have tried to find him for years, but wasn't able to until it was too late. So sorry that we never got to be together again but I will always remember him as a good friend.
