“ Jessica,  
We were in each other's life for over two years. We spent our days together with the boys to make their days enjoyable, and then went to visit the doctors when you got sick to find the answers. Unfortunately, the answers didn't come but we continued to try to get help and answers. The answers didn't come, and it sure hurt to see you slip away. Even though there weren't answers, Jami and I were committed to be there with you and holding your hand to make sure you knew you were loved until the end. You loved Jayden and Justin and were such a loving Mother. I miss you here, but am grateful that you are healed and made whole again in God's arms. May God watch over Jayden and Justin. I love You and miss You.  
Mike
