“ I will miss you Aunt Jessie. So many memories of staying with you and Uncle Gene. I know that's where I grew to love the smell of Lemon Pledge and watching your daytime "stories" with you. Which I kept watching for years because they reminded me of you. I will always remember my dad's house in Fayetteville, and Newnan being with you and Uncle Gene for yard sales. I will always remember stories you told me. Sending thoughts to your immediate family, to lift them up. I'm glad you're back home with everyone that went before you, and sending love to those left behind.
