“ Dear Brenda, Christy, and Robby, As you all know, she was my favorite. As long as she was with us, I still had a part of Mom. I will miss her. The cookbook she made me will become even more of a treasure. I have lots of wonderful memories, and I know she is the happiest she has been in nine years. My love to all of you and your families.

“ Dear Brenda, We will greatly miss our dear friend and neighbor of ten years. Ms. Meltzer has always been so kind to our family, especially our children. She always accepted every wild flower with a graceful smile and a heartfelt ‘thank you’ that made the kids feel like they’d given her a priceless treasure. Abby still sleeps with the blanket Jewel made her years ago and George still calls her Grandma. The memory of her kindness will continue to bless our family throughout our lives. Our prayers go out to you and your family during this time. Ed, Elaina, Abby, Jake & George
