“ Dear Jill, Shi, Randall, Christy and Wen, This is to let you all know that your mother has meant so much to my life. I can not think how life will be without her and I know you all feel the same. We have been close cousins, friends and sisters to one another for all our lives. We didn't always agree on things but we loved each other all the same. Just know you are in my thoughts and prayers through the coming days, weeks and months. I just praise God for taking her home so she does not have to suffer anymore. I Love you all.

“ Dear Jill and Randall, We are sorry for the loss you feel at the passing of your mother. I will remember her for her good sense of humor in the face of trials and physical pain. She taught me how to make pimento cheese spread one afternoon during a visit. She often spoke of her love for you both. It was an honor to serve her and get to know her better. She will be missed. Love, Mark and Debra Lewis
