“ *My sincere condolences to Jim's family. I remember him as a witty and joyful classmate and fellow drummer in the CHS Band. Though we have not been in contact for years, in my misty moment seeing the sad announcement now, I will share this. A few days ago, "out of the blue", I saw a vision of Jim and me in band, sweating in uniforms at spring parades, football games, and classes. I thought "we need to catch up"! Now I believe it must have been his farewell to this old drummer pal and classmate. Although I cannot be at the funeral, I will play a ruffle and flourish on my same old drum, at that time, in memory and honor of Jim. May God provide you the heavenly solace of precious memories and love that never dies.*
