Rob, I am Regina, his ex-wife. We grew up together from small children. And I've lived with him for the last 3 yrs. We've never been apart for very long. While he was with Gary and Sherry, he talked about you all very often. I believe he counted you all as dear friends. He had been sick for over a year and of course he wouldn't go to the doctor. They told me that it was a peptic ulcer that did him in. I guess I'm stupid because I never thought that such thing could happen.. Thank you for the card words, they do go a long way. Much love Jimmy's family.

“*Jimmy Hayes was more to us than words can ever say. He was a wonderful caring man who truly loved his children, grand children, family & friends. A great guy to all. Funny, silly, giving, caring, dedicated, strong, & hard worker. Never ask for anything but always giving to others. The Best Friend anyone could ever have. He will always be remembered & have a special place in each of our hearts. With so much love, he will forever be missed but never forgotten,*

To my friend, we met years ago in Chestnut Lane Apts as neighbors, and stayed in touch every since. I'm so glad all of us got a chance to become good friends and family, including our children ❤️🙏

Mariam! I've missed you so much! I would ask Jimmy periodically if he's seen or heard from you and he would always tell me no. I've been told that you are really sick. I'm so sorry. I've had you in my prayers. I hope nothing but the best for you. You had been such a dear friend to us both. Jimmy nor I could ever forget you. Another girlfriend of mine told me on Friday fit me, and Jimmy didn't have to be married to be soulmates. And I honestly believe that's exactly what we were. There's nothing I ever came to him for that. He didn't make happen in the same goes for me and there's nothing that either of us wouldn't have done for the other. I was so glad to see Kevin and Austin Kevin was playing my bodyguard. He's turned out to be such a handsome man and it just blows me away and he looks so much like his daddy. He has such a kind heart. I treasure him so much and I always will. You are treasure just the same you watched My children grow up just the same. I love you all and I wouldn't trade you for anything. Regina.
