“ *Joanna was my first Nurse Manager in 1975 when I graduated from the MCCG School of Nursing. She was an amazing mentor in the intense environment of an inner city ED on the cusp of EMT development and a new age of advancement in Emergency Medicine. She and Bennie were delightful to know and, while our paths parted many years ago, she has and will always remain a wonderful memory of the people that played a huge role in my career development. Sending Peace, Love and Light to her loved ones.*

“ *Sarah, Ann, Bill, I am so sorry about your loss of Joanna. I did not know until I read about it yesterday and regret I could not be there. Joanna was special as were you all to my daddy and mother. Daddy and Mr George had a special friendship. My prayers and deepest sympathy to all of you and her children.*  
*Love, Harriett*

“ Joanna became everybody’s second mom if you spent any time with her. She was witty and caring. I am sure she has a beautiful home in heaven surrounded by her pets and Big Ben.

“ I came to Newnan, Georgia 17 years ago to care for my granddaughters cause I lost my daughter to cancer. While there I started my own residential cleaning company. This was when I was introduced to Joanna and was hired by her to clean her home for her. I become so close to her and considered her one of my best friends and she felt the same about me. I was so lucky to call her my friend she was the kindest, loving, caring, respectful person ever. I have such beautiful memories of her, her sister Sarah and her family that I will cherish forever. Joanna you are now in heaven with your husband. Rest In Peace and will meet up with you again. Love you always ❤️🙏

“ *I was privileged to know Johana when her son married my daughter. What matters is that she had a wonderful smile, a love for her heritage and family memories, lovely treasures in her home, love for her pets, and a lovely place to rest and call home. She treasured her past, children, and her family, especially her sister Sarah, who was devoted to her. God bless Ben and Rebecca, Amber, and all those who came to love her!*
