“ Susan, Bryan, Dan and Dad,
I am so sorry to hear of your Mom's passing. We had many talks together and all of our visits were always so enjoyable. She was indeed a very wise woman with a smile that I will never forget. Always making me feel welcome.
Your family has always been special to me. Love and prayers to all.

“ *When I was developing the Bicycle Tour of Historic Senoia to benefit the Senoia Area Historical Society (which changed with each tour), I'd stop by Joanne's home or call her with many questions about the town's history and people. Her knowledge was unfathomable, and she shared it with wonderful warmth, vigor, and conviviality. She was a gem and will be missed. Warm regards to the entire Utt family.*

“ *Dear Susan (Sue),
I am so sorry for your loss. I can only imagine.*

I clearly remember your mom from the many sleepovers at your home in Berea. I remember your mom as being bigger than life. Her presence was evident.

Fond memories for me.

*All the best,
Luanne*

“ Joanne was a lovely lady and I enjoyed the times I had the opportunity to talk with her down at the Senoia Library the summer I worked there (back when it was in the old City Hall building). I hope the family's many happy memories of her will comfort them now and in the future.

“ Ron & I are thinking of Chuck and all the family at this difficult time and praying warm memories will bring comfort. Joanne shared so many plants which managed to survive in our yard from her garden. Joanne was active for decades serving the Senoia Historical Society including planning & hosting the fundraising progressive dinners. My memories are full of our lovely conversations which bring me smiles. Joanne was always so gracious & kind to me. I still remember the first time we met at Nancy Roy's Carriage House Antiques on Highway 16 many decades ago. With warm thoughts,
