“ To the Guy Family: I barely remember your father since I was a young boy when y'all were living next door to us in Moreland just behind the school house. This was prior to y'all moving to Oak Lawn. However, I remember all you children. I know its hard to loose someone that you love, especially, one of your parents. I pray that God will be with y'all during this time of sorrow.

“ Growing up as a young girl, having Mr. Joe and Mrs. Billie and the kids as our neighbors was truly a blessing. Mr. Joe was such a good sweet man. To Brenda , Shirley , Bryan , Ronnie, and Robin , you were good friends and I know you will miss your Dad dearly. I will keep you in my thoughts and prayers as you go through these difficult days. Love you all .

“ A special man, a delightful sense of humor, and one who holds a special place in this niece's heart for many things, but especially for the closeness he and our Dad shared. Uncle Joe and Aunt Billie opened their home many times to us and it was always a joy to be in their presence. Like all those "Guys", Uncle Joe like nothing better than a joke...especially if it was on one of his brothers! We cousins realized a few years ago that each of our dads told the same stories from their youth. The only difference was that whoever was telling it was always the hero!

Uncle Joe, how I will miss your smile, your twinkling blue eyes, and your love that came so freely from you to everyone you met. i look forward to spending eternity with you and hearing all those your stories and hearing you laugh over and over! As you always ended our conversations, I say with all my heart to you: "Love you lots."
