“*Mrs. Harless, I was heartbroken to learn of your husband's passing. It was always such a pleasure waiting on you both when you came into the restaurant. Your husband was such a gentle "Giant" in every sense of the word. I am saddened by his passing but feel honored to have been lucky enough to get to know you both...including your delightful mother when she came with you. You are in my thoughts and prayers. Remember... "It is better to have loved and lost than never to have loved at all." The love you shared for each other was precious and obvious to me. Heartfelt condolences...Kelly Cotton, server @ Mama Lucias*
