“ *What a remarkable man, dad, friend and most amazing story teller. Mr. Joe could entertain for hours with stories from his childhood, family, and everyday life. Each story contained a life lesson if you were paying attention and if you weren't you got called out. Did I mention that he was a shark at the pool table. He took no prisoners and had no mercy it was all about the money! Mr. Joe loved dirt racing and participated as an owner, sponsor, track preparation, and fan. I don't know if he ever made a lap in a race car but I can tell you he made a ton of laps in a motor grader! He loved life his family and laying asphalt! He was good at all of the above! We love you and will certainly miss you!*
