

Joe Ronald Nolen

January 31, 1952 - December 1, 2019

Joe Ronald Nolen, age 67, died peacefully at his home on December 1, 2019. He was born January 31, 1952 in LaGrange, GA to the late Edwin Nolen & Edith Burgess Nolen. In addition to his parents, he was preceded in death by brother, Gene Nolen.

Joe is survived by his children, Brad (Michelle) Nolen, Mitch (Morgan) Nolen; grandchildren, Maddie, Grayson, Whitley, and Pace, whom he dearly loved and was lovingly called "Pop." He is also survived by Sue Nolen.

Joe regularly attended Elim Baptist Church where he loved taking his grandchildren, Maddie and Grayson, with him. He was much loved in the county and his community where he lived all his life and served as Code Enforcement Officer/Constable for many years. Joe never met a stranger and would do anything for anyone. All you had to do was ask. He was famous for showing up at Christmas with a pan of his famous fudge and just voluntarily making his stew for friends and family. Joe spent many days at a beloved cabin in Alabama. He would always bring gifts of sausage and cheese from Clark Brothers after his trips to the cabin.

Condolences can be expressed online at www.mckoon.com

“ Joe I will surely miss a good friend. I will miss you calling and stopping by to check on me especially since I have retired. But most of all I will miss all the "Ga.Power" conversations we always had. I enjoyed them because I knew the people you would talk about and the situations as well. It made me feel a little closer to my husband that I lost 10 years ago. We had many laughs and good times as friends should do. We will miss you working with the Relay for Life Team. You were always willing to cook for us and I know you looked forward to it each year. I know you struggled with life after retirement and holidays were always tough for you. I don't think you realized how many friends you had. But I find comfort in knowing that you are at peace now. Your mom, dad, brother and other family members are with you and I know you are happy. We will all see you again one day.

Your friend always,

“ *Knew Ronald all of my life. I remember we all went to Trinity Baptist Church together on Jefferson Street by the railroad tracks from my birth for many years. I called on him with questions when he worked for the County and he always had the answer or would find the answer and call me back. Such a super person and friend. Rest now Ronald.....you will be missed.*

“ I met Joe when he was only 13 years old, I can still see him running around the front yard chasing me and my sisters, oh what fun we had. I met up with him again in 1997 and he has had my heart since then, the memories we had some just for me and some to share, we took trips to car shows, went to Florida walking on the beach, went to the mountains and rented a cabin, we had a lot of good times, and yes we had our share of disagreements, but we never lost each other, he'll always have my heart with him and he always knew that. Will I miss him, oh yes! I love you Joe. Gail

“ I met Joe (Ronald, to me) when we all went to church together at Trinity where my father was the pastor. We all grew up, got married and had children. Later on, we would vacation together at Sea Side Villas in Panama City when our children were younger. I last talked to him in the spring and we talked about growing up and the people we both knew and the good old days. He has always been a great guy and he will be sorely missed by many. Our family sends our prayers and thoughts to you all. We are so sorry for your loss. Take comfort in knowing that you will see him again one day. God bless you all.

We loved seeing him at church and dinners which gave him a reason to cook. He was quick with a cute little joke and he was a great friend. We will miss him very much and remember him forever. We know his family has lost a man who loved them all very much. Our sympathy and condolences to the family.*

“ For a number of years Joe was part of our group that made it to Pigeon Forge for the old car shows. We had some great times there. I saw him a couple of weeks ago and we got to talking about the “good old days” in Pigeon Forge. He said he wished we could all get together one more time and sit out next to the street and watch the old cars go by. He would always talk about how much he enjoyed watching the sun go down on the mountains late in the evening. Joe was a good guy and always seemed to appreciate the little things in life. I know he will be missed by his family and all who knew him.
