“ *I never went out to eat with Joe and Juanita and others when Joe always took the opportunity, when presented, to share Jesus with the waitress or anyone else who might be around! He did it in a very loving and kind way
And was never intimidating. There will be many souls in heaven because he cared enough to share - that is his testimony!!

My Uncle Joe was a man of God and like my father, a man I admired and aspired to emulate. Our family gatherings, no matter where it would be, Uncle Joe would always ask to offer thanks. And as long as I can remember, he always mentioned Christ's free gift of salvation that was available to anyone there who had not yet received Him. He understood the magic of the Amway business plan, and unlike so many others who tried and gave up, my Uncle Joe did not. We enjoyed time together hunting at the Lineberger farm and fishing at Grassy Pond. He was humble about his military service. I remember when we visited Lil Mama, (his mother), we would we could stay in "Joe's Room". As his older siblings moved away, it eventually became his room. I always felt a sense of indescribable peace when I slept in his room. It was as if he had prayed for protection over this room, and the peace of the Spirit was present. Uncle Joe would often come help mom when dad was in Vietnam and endured she was doing OK managing 4 pre-teen children. Since my dad died in 2017, I've learned how short this life is, and that we should make every day count. Accept Christ if you haven't already, and live according to the Fruit of the Spirit. And I pray God will continue to use me to do the the good works of my dad, Uncle Joe and Uncle Jr. as a Snellgrove man of God. Thank you for all the memories.

My granddaughter was one of those servers that Mr. Joe witnessed to! When asked what they wanted to drink, Mr. Joe said, "First let me ask you what I can pray for you, today?" What an awesome witness and what a precious man of God. Heaven welcomed a good and faithful servant!!!! Rest in Peace, Mr. Joe.
