What a sweet tribute to a great guy. Jeff and I were so grateful for your friendship. I have to admit, it is not going to be the same, turning back behind us at church and you not being there on the third row, but we know you are in an amazing place now. We sure are going to miss you Joedy. However, His grace has led you home to Heaven, a place, we as believers in Jesus Christ long to be... absent from the body, is to be present with the Lord. So, it is not goodbye, but rather, see you later. Well done good and faithful servant, well done. We will see you later friend! Mignon & Jeff Ferebee

The photo tribute was beautiful! It is hard work putting it together but it's so worth it in the end! Joedy is greatly missed, but knowing where he is and that he is at peace puts our hearts at ease. Fly with the angels, Joedy, and we'll see you there someday.

Joedy taught me to walk walls & frame the right way never to cut corners even if it ment taking time to correct the mistakes. He believed in people when nobody else did. Although it's been many moons since we last saw each other it was nothing to chat like it was yesterday. I will miss those chats and connection of a true hearted soul. Miss you buddy. You will be with me for the rest of my days. I wasn't ready for another guardian angel. 💔

6 months today you went to Jesus, and it feels like yesterday. Time moves on but it stood still for me. See you when God calls me home. Love you forever Joedy.

“ Deborah I think the last time I saw you and Joedy was at the pharmacy at Walmart. Joedy was a good friend and a hard worker. He, Marlin and Mitchell helped me build a lot of house. May God comfort you and the family during this time of grief. Lynn and Joan Westmoreland

“ I was heartbroken to learn of Joedy's passing. My sister and I met him about 10 years ago when he built her sunroom. He did a wonderful job and became like family as he worked at her house. That led to many more projects at both of our homes over the years because we knew we could trust Joedy to do great work and not cheat us with exorbitant prices. He was such a good man who lived his Lord, adored his family and took care of everyone around him. If Kathy and I were concerned about a problem we were having, he would tell us that he and Deborah would pray for us as we worked it out. I can't imagine not having Joedy to call for help whenever something at home needs fixing!! We enjoyed talking to him as much as we appreciated his good work. I am keeping Deborah and his family in my prayers for peace and comfort during this very difficult time. ❤️

“ I didn't know Joedy, but I knew his parents well, and loved them dearly. Miss Virginia must be rejoicing to have Joedy with her, and to know that his eternity is secure. I'll be praying for this very precious family. May God bless and keep you in the shadow of His wings...
