“ Oh how sad to hear of David's passing. He was a special friend - since 1967 when we both began work at Delta. Always had a smile to greet you! Lots of great times were shared with David and Mickie...from camping to dancing...and oh how we all loved good music and dancing! I am so saddened I didn't learn of his death in time to attend his final journey home..My prayers are with the family. May his memory give you strength and comfort during this time--- RIP David, my long-time friend.

“ To the family of David: Our thoughts and prayers are with all of you on your loss. We have lost a very, very dear friend. It just seems so unreal to us as did Mickie's death. I can just see the two of them dancing together in heaven now. May God bless you and console each of you. Liz & Lawson
