“ Dear Maggie, John's Family and the Milner Family, Our hearts are heavy at the news of John's death. He definitely gave our family some much needed brain power. He was a craftsman of excellence. He always knew when we were doing things less than perfect. He shared his gifts and talents and we have gifts made by him which we will treasure. We will miss John and also his lovely music he liked to play while he sat in his favorite chair. Maggie, we love you and you are in our prayers. We'll see you soon. Love Always, Frank and Babe
