“ John Christiansen always got the work done for Seaboard Construction Company, Rogers Bridge Company, and Shepherd Construction Company in a personable, timely, and efficient manner and was always available to help whenever help was needed to price, schedule, and execute that work.

He was always a gentleman and true blue through and through; his word was his bond.

We salute his memory and wish our condolences and blessings to his fine family.

Sincerely,

Stephen B. Shepherd

“ John's family lived next door to our family when we were kids. We always called him Johnny and he was a close friend of my older brother Jerry. Johnny was a very nice guy and very popular in the neighborhood. I remember that he always seemed to be doing pull ups or push ups or some type of physical activity. I was saddened to hear that he has passed away and I send my condolences to his family. May he rest in peace.

Sincerely,

“ John was a current and Charter Member of Harley Owners Group at Great South HOG Chapter; Atlanta HOG Chapter; and HOG International.

He rode with ATL Chapter to many of the Daytona Bike Week events and I had the privilege to accompany him on several of those rides. John was a quiet and respected man among his peers and he will be missed by so many.

Rest in Peace my brother.

“ I had the great joy of being a business associate of John's for 30+ years, but we became "buddies", sharing jokes and emails, chatting about life and families. “ I met John through work and I had a lot of respect for him. Over the years we shared stories about the guardrail industry and martial arts over peach cobbler at Buckner's restaurant. He was a salt of the earth person and will be missed.
