“ I've known John for many years now and remember the times we talked about our experiences in the military and cars. John was a great conversationalist and friend. I'm a little taken aback and in shock over finding out about his passing today. John will be sorely missed at Unity Baptist. Every Sunday He would come into the sanctuary and greet the praise band, during our morning practice, and I'm going to miss that! Heartfelt condolences go out to Sue and Family. God rest John's soul and provide comfort to Him in Heaven and his family here on Earth. With Love, The Mike Dixon Family.

“ John was a great friend and I enjoyed the time I spent with him. He was always willing to help in any capacity from working around the church, going on mission trips, and helping with the Boy Scout Troop. John is certainly going to be missed especially at Unity Baptist where he greeted and hugged all those that came through our doors. To Sue, Courtney and Travis, you Dad was an amazing man and he will be missed by many of us. Miss Karen and I send our prayers and sympathies to you during and after your time of loss.
