“ *Uncle jack. You and Aunt Donna have always been here for me. It didn't matter what it was or what it was about, you always had words of wisdom to pass down to me. Weather it was about life or helping me fix my old truck. You did it with a smile on your face and but also helped not only me but touched so any other lives in the process by just being the person you are. I wish I could tell you how much you will be missed by all of us, but more importantly I want you to know that I am here for Aunt Donna. It doesn't matter what it is I am here for her and will do everything I possibly can for her. I miss you and love Uncle Jack.*

“ My heart is so full of sorrow. I met Jack through his wife Donna, at a time when my life was low. Jack renewal my faith on what a genuine good, kind and amazing person can be. He was so kind to my family and I, a great person that I will truly miss, and I will remember him every day. I never understood why Jack took me under his wing and was there for me in many ways. My daughter Ashley said something to me the other day. God sent you Mr. Jack to be your guardian angel, and he knew one day Ms. Donna would need a guardian angel to finish her race. Donna you do not have to run the relay along, you has the Brown's Family and all your Delta Family to finish the relay with you. God do not make mistakes, Jack will forever be in my heart, my thoughts and prayers are with you.

*Thank you Jack for being the person you were to me, therefore take your rest and SIP*

Donna  
Marconi-

*You and Me.*

*In this world of over 3 billion people you and I found each other .....  
"fate triumphs " ....friends like us didn't need a reason for getting along  
the way we did ....we needed an "Alibi"...our relationship was too much  
for only two people...it should have been shared with a "psychiatrist.  
I have know the loneness of night and the wonder of nature.. I have  
known Love and Beauty----then I met you..... and you were the  
damndest thing I ever did run across!!!*

*My conscience and good judgement told me that YOU and I are  
definitely not good for each other....so I told my conscience and good  
judgement to mind their own Damn Business....*

*Our relationship was a success because you had me and I had you  
and that's something no one else on earth had or wanted.*

*As long as we've known each other you've tolerated my bad habits,  
ignored my shortcomings, forgiven my mistakes, excused my  
faults....and indicated a liking for me..... What were you?.... some kind  
of nut??*

*Our relationship has been an unusual experience.....Weird might be a  
better word for it... We were an unlikely pair....but we were pretty  
unlikely as individuals too.*

*Our relationship has been a great experience for me.... Our relationship  
is something that will last and last and last ..... kind of like a bad case of  
malaria!!!*

*There will never be another you and there will never be another me" its  
a good thing we got together before our kind became extinct*

*The wonderful success of our relationship was based on a rare and  
unique combination... YOU and ME ... my best friend, soul mate, and  
love of my life*
