“ To the Hall family; I send my condolences to you, I know it's been 4 years now, but I followed this case so close, I was interning as an attorney when this happen, I remember sitting in on an interview with Michelle and I knew at that point that if I ever had any doubt about being a prosecuter they were gone, I wanted justice. I dont think it's by accident that Michelle is appealing her case and now I'm a prosecuter, when I saw the file come across, I knew I had to do everything in my power to fight this, and I will. I'm sure I will be able to meet all of you, I want you to know your son case touched me, even though I never got a chance to meet John personally, his spirit will always be with me.

“ This whole thing is so surreal I cant believe it. Britt and his family have Always been good to the Tyree's. When we heard I was stunned and upset for his children. He was easy going and a good friend. I know his parents are devestated they would do anything for their kids. Jack, Dot, and Anna Louise I love you guys. Brandon Tyree, Shari Tyree, and Zia Tyree I have pictures of Britt if anybody would like them

“ To the Hall family, what a tragedy, Britt will always live on in my mind, thoughts and hearts as the "cutest little 14 year old" and how I loved to watch him in that Newnan Cougar baseball uniform. My thoughts and prayers are with you all. I am so sorry that the world has lost such a wonderful young man.

“ I wish your family strength through this terrible time, I was a High School Classmate of Britt, And just found out today it was him. I would have attended the services if I had known. I tried to find a recent picture of him I have not seen him since school. I ran into Jennifer about a 3 months ago and asked about him. I will certainly keep your family in my prayers.
