“ It is difficult to express in words your sorrow for someone who has lost a son, brother, husband, or friend. But may you take comfort in knowing that even after 29 years there are still things that I look back on fondly on how John Mark touched my life. His laugh, his intellect, his humor, and his ability to help me pass high school geometry! Take comfort in your own memories and know that he is looking down and smiling on us all. God Bless, Grant Marant (Classmate)

“ Dear Judd family, I was John Mark's classmate at Hollywood Christian School. He was a very kind person and fun to hang out with. We are so sad to hear of your loss. Because he was greatly loved, I am sure he will be greatly missed. I will continue to keep your family in prayer. I know from Caring Bridge that he shared the last years of his life with a wonderful, caring wife. Agape Always,

“ My thoughts and prayers are with you and your family. I attended Hollywood Christian School with John Mark and Ellen in Hollywood Florida. John has always been an inspiration even as a child and even though we did not keep in touch, through Caring Bridge I felt connected again. John inspired me to examine my faith more closely. Barb I have never met you but I see through all of the pictures and references that you and he shared an everlasting love. Be strong and God Bless.....
