“ I worked with John at Trax. He was one of a kind and I thought a lot of him. Even at his age he could still outwork some half his age. He will be greatly missed. God Bless.

“ My Uncle was very SPECIAL to me. We talked on an occasional basis. He always left a positive word in the back of my mind.He knew I was strong and a survivor. I wish we could have gotten to know each other better in our younger lives. We never got to go fishing but always planned too. I Loved him very much

“ I work with John Mulkey at Cowin Equipment and he has come to visit some of us at my current job. John was a great person to be around, he was allways willing to give me advise about welding when needed and he could allways make me laugh. He allways put me in a better mood. I, and many others, will miss him deeply. I send my condolences to his family, you are in my prayers.

“ All of John's friends at Georgia Pump, Inc.will truly miss John. He was always spreading cheer and had something good to say about people. I never heard him be negative about anything. I know he loved his grandchildren because we shared stories and pictures of ours to each other many times through out the years. He will always be remembered in our hearts. God Bless you, family.
