“ I recently heard of Johns passing.

John and I were close friends in our early aviation field. We worked together at Butler Aviation for the Peoples Express contract in the early 80's. We had one hell of a good time back then. The glory of aviation. I attended Johns wedding at his home. We dug out his old farm house basement in Elizabeth, gosh so many beers it took. My belly hurt from the laughs we had. I hope someone from the family gets this note. So sorry John left us. The last I spoke to him was when he was in Virginia. We will meet again.

“ My thoughts, Prayers and deepest condolences to the entire Trum Family. John and I worked together at Gemini Air Cargo and kept in touch over the years as Brothers in Aviation & in Christ. I was happy to know that John accepted Christ as his Savior and was at Peace even though he was hurting due to some health issues. He spoke of his wife and his two boys with much love, and he often told me how Blessed he was to have them in his life. You are gone for now, however never forgotten my Brother! May God shine His light of Peace in your family thru these hard times. See you in Heaven my Brother, til then RIP. V/R, your Brother in Christ... Oscar

“ I just received news of John's passing last night. I was so angry at myself that I did not keep as much contact with him as I should have. The last time we spoke, he was so happy to tell me about his wonderful wife and kids. He was instrumental in my life after my father passed. My father loved him as well. He was such a great man and I will truly miss him. I am truly sorry to his wife and kids for their loss. You will always be in my prayers. A good man is now in heaven and I hope he and my father reconnect there. I will never forget him. It is such a sad thing. My deepest condolences.

“ I enjoyed talking to John, about his work history in aviation and his family on many occasion here in the office. I would've like very much to known him outside work, if things had been different; one maintenance guy to another if time had permitted. Time, one thing we have very little of, as his untimely passing shows us. I was sorry to see him leave the FAA, and then to hear of his passing was very sad. He was a good man.

“ it is often hard to know what words or acts of kindness will bring comfort to someone who just lost a loved one. our words may seem inadequate, and our kindness insignificant . no one else can truly feel the sorrow that you bear. but we hope it may help somehow to know that we all share in your loss. and hope that it will ease your pain and bring some comfort to know, that our thoughts are there in sympathy with all of you. in time the emptiness in your hearts will be filled with many wonderful memories. sincerely and with our warmest regards. the pawlicki family. truly sorry, and saddened that we can not be there.
