“ I am so sorry to hear of your father's accident and death. Harvey and I knew Jack from Cambridge House. I always enjoyed my conversations with him. He was such a dear man. We were unavailable to attend the services yesterday as we had a property closing and could not change our date and time. I would have loved to have met all of you. Again, please know you will be in my thoughts and prayers. Carolyn Martin

“ Granddad you will forever be missed by all that knew you. I am so glad that I was given the opportunity to get to know you as a adult and was able to spend time with you. You are a wonderful man that will surely be forever missed. I know you are looking down on us and I will see you again one day. You touch every person that ever had the honor of meeting you. I love you forever.
