“ From the time I first met Allen, he wanted to do right for his kids and wife- he loved them so much. Many things we can't do on our own, and Allen was willing to reach out for help. He came to love the Lord, serve him, and be a great dad and husband. A good friend and Christian brother. I can't believe he's gone from this earth. I rest assured that I will see him again, in paradise. Prayers for the family - this will be a tough loss. I love you.

So saddened to hear of this terrible accident! You never know when your time is up! Allen worked in my sons yard all day on Wednesday and Brent really took a liking to him Said he was a fine young man! He also worked for my other son Brandon a few weeks ago and he said the same thing about him! I have four boys myself and I can't imagine what you r all going through! That has got to be the worse phone call or visit ever! I just want to say our heart hurts for you folks at this sad time and we just pray for all of you and ask Gods love and grace will get you through these days ahead! God is good all the time and he will always be there for his people! Lean on him! I am Diane Croft mother of Brent and Brandon! We live in Moreland and Grantville! This just really touched my heart and I saw two of my boys really hurt about it! Just know we care and u r in our prayers!

“ Always greeted by a smile and a big bear hug. Rest easy my precious friend. We will miss you, your smile, your jokes and most of all watching you love on your family! I weep for the loved ones you left behind, but know that you have entered your eternal paradise. This is not goodbye, but rather see you soon!

“ I am so very, very sorry to hear of your loss. I lived in the 1st house on the right for 10 years and remember the boys always riding by, waving their hands to me. Joey used to stop by and talk to my grandson. My grandson still talks about Joey after all these years. Allen used to stop by and say hello. So many times they came into the store and chatted with me. I am just so very sorry. You are all in my thoughts and prayers. May God bless you and comfort you all. “ *From the first time we met I was confident that I would always get a hug and a smile from Alan. He treated me with love, respect, kindness and fun. We had running "love you more" contests. I'm glad he loved the Lord, and I know the whole Oliver family has the blessed hope of seeing that tall guy with the big smile on his face once again.*

“ Allen was a good person, and just loved his kids to death. The laughs we all had especially at glow run. I remember me and Elizabeth ding our best to do that run while Jason ran ahead and Allen was the motivation that stayed behind for Elizabeth. No matter what me and Elizabeth finished the race lol. I'm happy that I got the opportunity to get baptized with Allen and Elizabeth. I'm so list for words on this tragic situation. I know God has received a wonderful angel. My condolences are with the Oliver family.
