“ *I met Freddy over the phone through an interest in ancestry. He asked Kip(my husband) to get me in touch with him about our common interest after a conversation at Martha's funeral. Freddy was so easy to talk to and I found he had a true love of family. He wanted his children to know where they came from and possibly other people in their family over time. He had a great laugh and easy way about him. I will miss that we didn't get to have that next conversation about how to use Ancestry.com. I was really looking forward to knowing their family better. He loved them, his wife, and children. It was easy to hear even over the phone. I know you will all miss him greatly. We will keep you all in our prayers. Such a tragic loss this year.*

“ Linda, Alan, Andy, Alison and Linda, I am so startled to hear of Freddy's passing. His FB posts sounded so chipper and I prayed that he had fully recovered. I have so many memories of y'all through the years. Freddy loved a good joke and had the best laugh! My prayer for you all is that your tears and sadness will soon turn to smiles and laughter when you share all the wonderful memories of Freddy that you each made. He was one of a kind. All my love, Jennie

“ Linda, our thoughts and prayers are with you and your family. We have been Blessed having you two in our lives. Freddy was a joy to be around and having to be on guard with that camera in his hand. Sneaky with those pictures. He will definitely be missed, but we have many fond memories of him. We are here if you need us for anything. We know he is in in heaven having a reunion with so many gone before him. God is in Control and God had a Plan for Freddy. Love always

“ my memory of Mr. Freddie was the week we spent on a youth trip in Tennessee (somewhere in the sticks) He was so dedicated to those youth. Especially when it came to getting them taken care of. We had a long ride one night to get Josiah to the hospital with no Gps and finally Josiah just looked up and said "Mr Freddie just look for the Big blue H sign" I will never see another H sign unless I think of him But finally found it and it seemed he had a ruptured appendix. love to all the family Louise Jackson

“ Mr Freddie was an example of love for every person to follow. You can tell this by his family. He has wonderful children and a wife that are full of love just the same as he was. He showed love to every person he came in contact with and he was kind hearted. He and Mrs Linda was a wonderful example of the perfect couple that all couples should model their marriage after. I knew him from growing up with his children and Mrs. Linda at Crestwood. Heaven will surely be a sweeter place with him there. Love and prayers to the family.
