“ Larry, I am so very sorry to hear of the passing of your son. I know the terrible pain you are experiencing now as our son passed away one year ago and he was just about the age of your son. Ironically, he was also named Jon. Sending prayers of comfort to you.

“ I initially met Jon in 1989, we both attended Grady Memorial Hospital School of Radiologic Technology. He was one of the smartest guys I've ever met. We became known as the Hayes brothers and formed a special bond. I'm saddened to hear of his passing. I'd like to express my deepest condolences to his family. May he rest in peace. Amen

“ I have so many fond memories of Jon. He and I have worked together off and on since 1990, and he was an excellent technologist as well as a great friend and all around great person. He will be missed. He was always there to reach out to others, which I observed on many occasions as well as reaching out to me when I developed a heart condition and he was there for me I will never forget that. I wish the family peace and please know how much Jon was loved and cared for and how much he gave to this world

“ Jon was one of the best. He was always smiling, laughing, and don't get him talking about football because he always had something to say about His Georgia Bulldogs. He was a dear friend and he will be greatly missed.

“ I worked with Jon and knew him for 15 years! He was a very dear man full of hope and promise! I miss not seeing or talking to him because our lives took us in different directions. I could always count on him in a pinch and he would always be willing to do or go anywhere the company needed him. I will truly miss him and will continue to pray for his family, that they have peace in this time of loss.

“ Telling my 2 children, Caden age 11 & Presley age 9, that their beloved Jon had passed away was heartbreaking. He ALWAYS had a B-I-G hug and smile to share with them. The Ivey Family will truly MISS this BEAUTIFUL soul. Prayers to all who loved him.
