“ Bob had been a friend of mine since high school at SOUTHWEST. He was a few years ahead of me in High school and dated a girl friend of mine. He was always such a sweetheart. It was good to find him again many years later on face book and share old memories. He will surely be missed. Prayers to all the family and friends that have know Bob through the years. May he be rejoicing with our LORD.

“ My Grandpa used to take me to Rocky's in Fayetteville when I was a little boy and Mr. Bob would always cut my hair. Loved going to Rocky's with my Grandpa. He loved Mr. Bob so much that wouldn't let no one else cut his hair! My Grandpa passed back in 2014. When I went back to Rocky's to tell him that he had passed, he told me that he remembered me from when I was little. He was so sweet and had such a big heart! I can just imagine all his customers that were called to glory prior lining up for that heavenly hair cut! Keeping the family in my thoughts and prayers. May God's supernatural peace comfort you during this hour of sorrow. Bob will be missed.

“ Remember Bob well. He and his sister Kaye had many fun times together poking fun at one another and learning to play polka , all the while putting up with " the little brothers teasing and typical brother shenanigans . Always funny and positive. Kaye, I know your heart is broken . Prayers and love to all .

“ Bob and his family lived close to me when we were growing up and we graduated in the same class. His family's restaurant was a favorite for years. We will be out of town on Friday so we won't be able to come to the visitation. Praying for all of the family.

“ Bob and I were in the same Southwest High graduating class. We were pals in school and later in life Bob cut my hair for at least 30 years in his shop in Fayetteville. Every time I came in I enjoyed the conversation with Bob. Rest In Peace my friend, you will be missed on this earth.

Bob was a neighbor (one street over) and classmate of mine. My brother, George, and I grew up with Bob (through grade school), and have such happy childhood memories of our neighborhood adventures. Sometimes, we would go over and jump on his trampoline, that was built in the ground, and he taught George and me to do front and back flips! Bob would NOT let be pay for my haircut the first time I went to his shop on Camp Creek Parkway. I bet there is a line waiting for Bob to give them a Heavenly haircut. Bob will be sorely missed.
