“ *Joey LOVED to pick on Becca and I whenever we were together, but man did he also make us laugh ❤️. Most of my memories revolve around our family vacations in OBX. I will forever be traumatized when he and Allison messed with the power and scared us half to death 😭 He also supplied me one of my first (ahem) adult beverages I'll say and came to get me and bring me back home from the beach late that night 🙄. I am lucky to have been his cousin. We're all lucky to have had him in our lives. Joey was the best big cousin, brother, father, and son. I know that he is here with us, watching over (and probably still teasing Bec and I as we missed multiple turns today on our way back from the airport!) Love you Joey 💙*

“ I was blessed with the opportunity to know Joey and his wife Leah and care for 1/4 children Ava Jayne. During that time I was able to see the unconditional love his children have for him and the love he has for his whole family. Both Joey and Leah were always so kind and genuine to myself and my other coworkers at the time. It was always a joy to see their smiling faces. I know Joey will be missed by many and I know he is now pain free getting to watch over his loved ones from Heaven.

Man, not sure where to begin, our parents can probably start with us in diapers but I'd prefer to start in OBX. So much fun, so many memories that I will carry with me forever, like when you puked out the side of my car, when we scared the bejeezus out of the girls, white trash for Uncle Scott, 1/2 mustache, but my most favorite was this past summer when we were able to bring OUR families together, with OUR children. Fly high and watch over that beautiful family of yours. Cool Cousin Club forever, I love you.

Leah I am so sorry to hear about Joey. He meant a lot to Mike and I. He was always so sweet and respectful. He was the best dad. I will be praying for you and the kids as I know how hard this must be. If we can ever do anything please let us know. 🙏❤️🙏
