“ *My heartfelt prayers to the entire Haack family. He was a little behind me in school but his sister, Ellen, was in my class. My brother, Stan, knew Joey well and had many funny and great stories to tell about him. I will keep the family in my thoughts and prayers.*

“ *Sharon, you don't know me because I left Newnan 1/77 for college. I'm very sorry for your family's loss. He was a great person! There was a group of us growing up when you saw one usually you saw all. My heart has been broken as I followed you guys through this awful but joy filled time. We the Class of 1976 and many others loved Joey so very much! He was a big part of our family too! I felt fortunate to spend time with he and Mark at our reunions. Those two could crack anybody up! Blood brothers! You're gonna be sad for a long time. Just always remember that he is for sure in Heaven and fishing the clouds. Prayers for your hearts! Mine is sad!*

“ Now I know why Jordan suddenly became JoJo. I wish we could've spent more time with you..especially Justin. His show and tell at school three years in a row is the same campfire story of you him and Kyle. He wanted to see you and make you laugh...love you.
