“ I no at this difficult time everyone needs a little lift in there spirits. A few years ago I started talking with Miss Barbara about differant things at work. The funny thing was we always seemed to stop talking about our work, and changed over to talking about our families. I know that Mr. Hood will be missed by his family very much. Barbra talked about her daddy all the time. If there is anything I can do for the entire Hood Familiy please don't hesitate to ask. I will keep Hood family in my thoughts and prayers.
