“ Bruce and I were roommates in Carrollton while we studied geology at West Georgia. Many great memories of him. He had a good wit and sense of humor about him and always enjoyed being around him.

He helped us stay focused at the “Geology House”. There were six of us that paid the rent there but many others would crash there from time to time.

I remember when he first started chasing Terri. He told us early on that she was the one he was going to marry. A man of his word.

Condolences to Terri, family and friends.

“ I am shocked and saddened to read of Bruce's passing. I have many happy memories of his student days in geology at UWG; especially water skiing at West Point and a month long fieldtrip out west. It was a wonderful surprise to meet up with Bruce and Terri at McIntosh Reserve a few years ago. I know you have many wonderful memories of this great human being and I trust they will provide comfort at this sad time.

“ Terri, I am so sorry to hear about Bruce. You and your family have my sincere condolences at this time. Bruce had the highest concern for his co-workers and anyone he came in contact with. His dedication to Safety at Plant Yates was awesome. He was deeply involved in ensuring all the employees and those onsite were knowledgeable and aware. “ My son Jacob and I are shocked and saddened to learn of Bruce’s passing. We have such good memories of Bruce helping Eric and I coach PONY League baseball for years. All of us went to Shoneys Breakfast Bar and sometimes to Bruce’s favorite steak house in Riverdale. Bruce had the best sense of humor of any man I have ever known and he was always there to lend an ear if any of us had problems. He was so proud of Leigh and Brent and shared the sweet story of how much he enjoyed braiding Leigh’s hair. We went to West Georgia College but he was an upper classman so we didn’t meet there. We all met in February of 1988 when our sons signed up for PONY league ball. Both of our boys were budding pitchers and we always enjoyed having Brent over at our house. Fly high, Bruce, you were an amazing man.

“ It is with great sadness in my heart that I tell you how very sorry I am for your loss of Bruce. He was a good man and I know he will be missed by many. We have been friends for many years (almost a life time) and I know I will be one of the ones missing him. One of my "Memories" on FB for yesterday was from Bruce. Just a coincidence, I guess. :) If there's anything I can do for you, please let me know.
