“ Lee, this voice comes from lifetimes ago when we were young, and lived across Hunter's Lane, when Julie and Kristin were in diapers, and we hung out over coffee klatches. I have many fond memories of those lovely days, and remember you and Joe and your family so fondly. I am so, so sorry to learn of Joe's passing and your loss. I always think of Joe as being "one of the good guys". How blessed you were to have each other for so many years. My sincere condolences to you and your family during this difficult time. Prayers and blessings to you all, Julia Preston (aka Julie Coffey).

“ Julie,

My family and I are so sorry for you loss, and we will keep all of you in our prayers. Some of the fondest memories of my childhood were the visits we shared with you and your family way back in Delaware all those years ago. I still miss you guys to this day.
