“ Dear Tim, Jesse, Ray and Family So sorry to hear of Joe's passing. So regretful that it has been so long since we saw him.. Jerri has been so kind to keep us informed of his condition and I have thought so many times that I needed to make it priority to visit him in person. When I talked to him through the years he was so quick to say I love you and so proud to brag about his family he loved so much. He loved you all so much! I am sure it has been very difficult to watch him suffer and become so weak. I know he is with his Lord and Savior. We talked about our faith in Christ many times. And wow don't you know he and Janna had some reunion. They loved each other so much and I am so grateful they had those years together. My how I loved visiting them and feasting at their table with all the delicious foods they made together. Oh how I loved sitting on the porch and enjoying family times! I know the younger generation of you have some wonderful stories but my how the Massey family was ....well what can I say ...."the Massey" family in Grantville, Newnan back in the day and I hope the stories you have heard are etched in your hearts because the Massey's loved their own! My love to you all in a "Mama Massey " fashion ...when she hugged you you knew you were hugged and loved! Jerri has our addresses and phone numbers in SC. Please know you are welcome anytime..
