“ Our prayers go out to you during this difficult time. My husband knew Joey through motorcycle riding and was very fond of him. He changed his tires just recently and came in bragging about what a nice guy he was. Please know that you and your family will continue to be in our thoughts and prayers. If there is anything we can do for you during this difficult time, please let us know. May God Bless You and Keep You Close. Todd, Angela & Carson Cochran Sarah Stevenson

“ John and Pat; I'm so sorry to hear of your loss. My husband lost a son 18 years ago in an act of violence, so I have heard his stories of how hard it is. I remember when you two would visit Joe and Judy and my sister and I would hang around and pester all of you. I never knew your son, Joey, but if he was anything like you two, I'm sure he was a fantastic young man because he had great teachers. Please accept my deepest condolences for your loss.

“ Mr. John, Ms. Pat, I just found out about Joey and I am so so very sorry. I know that there is really no words that can take your pain away. Please know that my prayers and my thoughts are with you and the rest of the family. Please, please let me know if there is anything that I can do. I am just across the street and I would do anything for you. All of you have always been so good and kind to me over the past 5 years. Joey was so kind to stop by my house and visit with my grandson Ian. They became very good buddies. Ian was just mesmerized by Joey. Ian watched for him to go by everyday. I will never forget the time and the kindness that Joey took and showed to Ian. I don't know if Joey realized how much of an impact it had on Ian. Again, I am so very sorry and I am here for anything you need. All my Sympathy and Prayers, Dean and Robin Stevens 770-714-0117

“ I am so sorry about what has happened to Joey. I hope you know that he made really good memories with so many people. I live across the street from ya'll. My son Ian waves to Joey everytime he drives by. Joey would even take the time and go by my house or my mothers house if we were outside to let Ian sit on his motorcycle and wear his helmet. He always called Joey his "Buddy" and everytime he heard a motorcycle go down the road he would say Joey's name. My son always says he has to have a motorcycle because Joey has one. He even said he had to have a helmet just like Joey's. I know that Joey made a positive move in my 5 yr olds life and i know he made more in so many others. love and god bless, Tabitha, Ian, and Sophie Caswell
