“ Joe, I'm going to miss you my friend and all of our conversations we had when we saw each other out on our sales routes. I had the pleasure of meeting Joe many years ago as a salesperson with United Distributors. He was always friendly and had a big smile on his face. I'll see you again in Heaven some day my brother. The apostle Paul said to die is to live. I know your are in Heaven with our Lord and Savior Jesus Christ. Praying that God would wrap his loving arms around your family and that they would be comforted by his Holy Spirit.

Love ya brother,
Mark Fuller

“ *I met Joe at Buffalo Rock in 2008, having just moved here from Pensacola. Joe was a warm and friendly man who welcomed me and helped wherever he could. I quickly learned to depend on him and trust his sound advice. Anyone meeting Joe could tell that he was genuine and loved the Lord. My deepest sympathy to his family.*

“ *Every church needs a Joe Woolley as their member. He always greeted me at the door of Providence Baptist when we visited and wanted to know how I was doing. If every church had a Joe Woolley the church's would be over flowing with members.*

“ *Joe, we just spoke and you said you were feeling better. I was looking forward to seeing you again but I guess I have to wait. Nikki and family. Joe always had such a big smile and wonderful greeting every time I saw him at church or the many times while working. He was the most positive man I've ever known. I'm astonished and grief stricken for y'all. My deepest sympathies and tears pour out for you.*
