“ Dear Jason: I don't know if you remember me or not but I used to coach you along with my son's daddy, Eric, when you were 5 yrs old, in PONY League baseball. I remember your daddy coming to the games and cheering you on when you played center field for us. Sadly, we lost Eric back in December of 2004 of a final heart attack, so our son, Jacob, and me know exactly what you are going through at this time. We are praying for you and your entire family at this time and please know that we feel that you have another guardian angel to watch over you now. God bless.

“ Jason and Family, We were so sorry to hear of Frank's passing. Even though we did not see him on a regular basis, we considered him a good friend and neighbor. He will be greatly missed in the neighborhood. Howard & Susan Shelnutt

“ Jason and Family, Our thoughts are with your family during these difficult days. I went to school with Frank many years. He was gracious enough to host our last class reunion and everyone had a wonderful time sharing stories and remembering our school days. He always had a smile and a kind word. May God grant you peace and comfort.
