“ So sorry to hear about your mothers passing. She and your father were such sweet, sweet people. Dr. P was my eye doc. He had the best sense of humor. Both of them would brighten my day everytime I saw them. They will be so missed in this community and in my heart.

“ I am so sorry to hear of Joy's passing. Joy and Tom were good friends with my father. I continued the connections between our families while Lee and I have stayed close since college. Joy was always a gentle spirit and lived her life after the example of Jesus. Joy was indeed dedicated to her family and her Church. Even as we know Joy is in a better place in Heaven, with Tom and her family, she will be missed. My prayers are with her sons, Tommy and Lee, and her entire extended family. May the Peace of our Lord surround you, comfort you and embrace you as you remember the life and witness of Joy.

“ Aunt Joy was just as her name expresses...." a joy and a truly wonderful lady". I am honored to have been blood kin to such a kind and caring Aunt. She always put others ahead of any of her needs or wishes. Aunt Joy was a strong rock for our huge family. She could organize, plan, and designate the most confusing of any Bryan get together there was. She made sure everyone knew the whats, whens, and wheres of any event. She never had anything bad to say about family or friends. Aunt Joy always wanted to see the good in people and never wished anything less than the best for all those she knew. She was the most amazing and a one of a kind lady. Heaven is rejoicing in her homecoming. We will truly miss her. Love Debra B. and John Schilling.

“ *The hope offered in the Bible is exactly that, namely, to live forever right here on earth. God created the earth for that purpose-to be inhabited in happiness. That is why the Bible says: "The righteous themselves will possess the earth, and they will reside forever upon it."-Psalm 37:29; Isaiah 45:65:21-24.*
