“ Bill - I am so sorry and saddened to hear that Joyce has passed. As you know I thought the world of her and not only was she a great co-worker, you both were great friends to Linda, Michael and me!! Her smile and warm personality were contagious to everyone that she came in contact with. Her love for you and your children, grandchildren and those little dogs was beyond compare. As you know your family has been blessed to have have her a part of your life, to share her love, joy and good times for so many years. She will be missed by many, but never forgotten. We will keep you and your family in our prayers. Love, Mike, Linda and Michael Cline

“ Bonnie, I'm so sorry to hear about your sisters passing. I know she fought long and hard and I know she was grateful to have you there with her through the fight. Now she can be your guardian angel taking care of you like she's always done. Please know you and your family are in my thoughts and prayers. Love, Suzanne

“ I met Joyce and Bill in the mid 70's in Fayetteville, Georgia and we instantly became friends. I will forever cherish our many, many late night conversations; the laughs we shared together (I can still hear her laugh and her soft-spokenness), the good times we had. I will miss Joyce but I know we will meet again some day. Rest in peace, Joyce!
