Joyce rented a room at my house for awhile and we became friends,what I learned from her is she truly loved her children and she loved the Lord she actually helped me to grow spiritually because I admired her love of God. I know she is in a much better place saving a spot for her kids and having wonderful talks with the Lord. Glad I got to know her,blessings Kelly

“ *Dear Marcia, Paula, Kenny, and Pam I am so sorry to hear of your mom passing as I know it leaves a hole in your hearts. Please know that I am praying for all of you -as God promises you peace ! keep your eyes on Jesus as you know your mom did and now she is rejoicing in heaven. Oh, what a time she is having if you could only see her I have such great memories of hanging out at the Woolcutt home Sundays after church -your mom was a great cook and always loved her big smile! In recent years We talked on the phone many times and she would ask for prayer for her and you kids. she loved you all dearly and may your sweet memories of her stay in your minds to help you through each day. God bless you! much love to you all!!*

“ *Marcia - the video brought back memories of being at your house when we were in high school. Your mom was caring, funny (and silly!) and so loving. She always made me feel at home. I'm am so sorry for your loss. It is a great loss. It's a very odd feeling losing your parents no matter how old you are. You are in my thoughts and prayers my life-long friend. Love you.*
