“ Debra & Family, I know you will miss your mother so much. I still, to this day, miss mine more than I can ever tell anyone, but you know she is in a better place and she is all complete and well now. That's our promise from God. Please know that I am here if you need to talk, need to pray, or just run an errand for you and your family. You all mean so much to me. I love you!

“ I am so sorry to read of Joyce's death. Betty always kept me up to date on her health. She has fought this illness for so long. I know all of her sisters and brothers but never met her family. I know she will be missed so much by her husband, children and grandchildren. Betty and Sonny graduated with me and Betty is my best friend. Joyce was always a cheerful and pleasant when I would visit . Thinking of you all.

“ Although I never met Ms. Rogers, I feel heartbroken for you, J.R. You are among my favored people in this world. I know how wonderful you are, and this tells me Ms. Rogers must have been quite a wonderful woman, too. It hurts to know you're hurting. I pray that you can find a peace that passes understanding. Love and prayers, Dana E.
