“ I was saddened to see the notice of Joyce's passing via e-mail today. I worked closely with Joyce for several years while serving as District Director for Rehab Services in Columbus and West Georgia, and always had the utmost respect for her, both professionally and personally. She will certainly be remembered and missed by all of us that knew her.

“ I just wanted you all to know how sorry I am about Joyce. I didn't know about your loss until today (Tuesday). You know, I worked with her for years. She was a wonderful person who was always so nice to everyone she met. I know that she loved each of you so much. She talked about you all the time. My thoughts and prayers are with each of you.
