“ Carolyn, Carey, Catherine, and Family,
She came to this world to love with her unique and beautiful
laughing. She could laugh like that because of her beautiful heart.
Her smile, laughing always cheered us up and gave us
encouragement. We still see her smile, laughing. She surely
showed her love to all of us with her beautiful smile, laughing, and
love in this world. We Miss Her and Love Her!

“ *The best Grandmama is the world. She always loved to laugh and had the best laugh. She accepted everything that God put in her path and never waned from finding the laughter. Her body just couldn't keep up with all that her mind still had to offer. She will be missed, but our family knows her walk with Christ was strong and she's now with the great comforter.*

“ *My father-in-law, John Marvin Williams, was in the room next to Mrs. McRae before he passed away. My mother-in-law got to be good friends with your mom. She loved visiting with her and even talked often to her after my father-in-law died. They were a lot of company to each other. I carried her back over to visit with Mrs. McRae several times. She was a sweet lady and will be missed by all that knew her. You and your family will be in our prayers. Mrs. John Marvin (Margie) Williams and family*

“ We got to know Juanita after our son married Felicia. We enjoyed our moments together, usually celebrating someone's birthday. Juanita always had a great attitude and a grateful heart. Thankful that she has now been reunited with those who have gone before her and thankful for her new life through the grace of our Lord and Savior, Jesus Christ.
So sorry for the family's loss.
