“ You do not know me but I am a first cousin of Carol Bridges. Your mother came to my house in Rogersville, TN many time with Aunt Mae & Carol as we make sorghum syrup. We always enjoyed having her and she seemed like family! Be thankful for your memories and may the love of God carry you through this loss.

“ Dear Shane and Marty. I am so saddened by your moms death. I am so sad that our family has been separated by miles and the years have slipped by. My memories of Judy are dear and sweet. She loved you boys and your children so much and she was so proud to speak of you and update us through the early years but unfortunately we have failed to keep in touch the last decade or so. Please know we are there in spirit with you but because of health issues etc with our siblings we can't make the service for Judy . Jerrie has our addresses in South Carolina and please know you are always welcome. Praying for you all. I am so thankful for her friend Joe Collins who we understand has been right by her side during her illness. Would love to extend our thanks and condolences to him also.
